The Finest Selection of Goods

at low prices run all over the Store, and embrace values of the worthy kind only.

Business Greatness is Not Achieved by Chance

Crowds are not won without reason or cause. Popularity grows not on the foundation of words. Facts as advertised by us are what encourage and enthuse buyers.

It is not by chance that our

... Business Has Grown

to its present proportions. Knowledge of the business, serviceable goods and low prices have done it. Anybody who will come into the store can see the evidence of this.

It's Progress with us All Along.

We never try to save prices, we try to cut them down, and the more you help us to do it the better we like it.
